ARCTIC WINTER ADVENTURE

ITINERARY

**DAY 1: ARRIVAL TO THE ARCTIC!**

Depart from Reykjavik Domestic Airport for a 3.5 hour flight to the charming Arctic village of Ilulissat, beautifully situated at the mouth of the 56 kilometre-long Ilulissat Icefjord. On arrival, you will be transferred to your accommodation for the next four nights.

**HIGHLIGHTS:** Ilulissat

**DAY 2: EXPERIENCE ILULISSAT & MEET THE PIONEERING PEOPLE**

During the following days, you will get a chance to explore Ilulissat, which is known for the giant icebergs surrounding this Arctic town. It’s the perfect destination to relax, enjoy nature and experience true Arctic life. You will find delicious local cuisine, museums, hiking trails and of course, the beautiful Greenlandic Huskies. We recommend exploring the town on your own or booking a tour with a knowledgeable guide who will offer insight into the history of the village. Enjoy exploring, and for tonight we recommend heading out to search for the northern lights. During the dark winter nights in the north when the sky is clear you can see the beautiful northern lights dancing and flickering over Ilulissat (if conditions are favourable*). We recommend booking a guided northern lights tour.

*Please keep in mind that the northern lights are a natural phenomenon, sightings cannot be guaranteed.

**DAY 3: EXPERIENCE UNIQUE SURROUNDINGS AND BREATHTAKING NATURE**

Today we recommend that you select one of the many activities that our hand-picked suppliers offer. For example, you can take a tour to get to know some Greenlandic settlements just a short boat ride away. Another option is to hike to the Icefjord, situated close to the the town of Ilulissat. The short hike to the fjord allows you time to enjoy the incredible landscape and beautiful icebergs floating in the fjord. This hike is also available as a guided tour from one of our our local suppliers.

**DAY 4: EXPERIENCE GREENLANDIC TRADITIONS**

Today’s adventure is your choice. We recommend that you try the traditional mode of transportation in the Arctic, dog-sledding! The tours are led by an experienced local musher, and you get to enjoy the surroundings and experience with the local dogs, eager to lead you on a journey.

*Note: We recommend booking optional activities well in advance with your travel consultant at Nordic Visitor. Please note that some activities are subject to a minimum amount of passengers along with having specific travel departure dates. Contact your travel consultant for further informations.*

After some last-minute souvenir shopping or exploring the town, it’s time to say goodbye to this land of adventure. Transportation will be provided to the Ilulissat airstrip for your return flight to Iceland.
