For your time in Ilulissat you are free to design your own adventure! You can choose from a wide range of exciting optional excursions, including a helicopter ride over icebergs, village walks, whale watching safaris or a visit to the small, remote settlements in the area. We recommend that you use your first full day to learn about the town of Ilulissat on a guided city walk (optional) or explore the surroundings on your own.

DAY 3: ENJOYING ADVENTURE IN THE ARCTIC

Today you can add to your travel package an overnight stay at one of the surrounding settlements or at the incredible Eqi Glacier (optional). The options are to spend the night at the Ilimanaq settlement, which is a short boat ride from Ilulissat. There you can learn about the history of the small village, its few inhabitants, explore the beautiful nature in the region and stay in one of the cosy cabins available. The other option is to spend the night at Port Victor by Eqi Sermia Glacier, where you can enjoy the view of the glacial tongue, with the possibility of witnessing huge chunks of ice break away and calve in the ocean. You can also spend the day enjoying one of the many day tours offered by our local operator and spend the night in Ilulissat.

And for hiking enthusiasts, the Sermermiut Valley just a few kilometres from town, offering spectacular views from several well-marked trails.
